An assistance coordinator will ask for your name, the UnitedHealthcare Global ID number shown on your card, and a description of your situation. **If the condition is an emergency, you should go immediately to the nearest physician or hospital without delay and then contact the 24-hour Emergency Response Center.** We will then take the appropriate action to assist you and monitor your care until the situation is resolved.

Payments arranged by UnitedHealthcare Global: Most Physicians and hospitals will provide you with the necessary medical treatment and will either send their bill directly to UnitedHealthcare Global, or in the case of small dollar amounts, may ask you to pay at time services are rendered. Ask the hospital or Physician to contact UnitedHealthcare Global. UnitedHealthcare Global will confirm your protection plan coverage and arrange for prompt payments if possible and where allowed. You will be asked to pay for any items not covered by your plan.

Advance Payment: If You require admission to a Hospital or treatment at a clinic, We will arrange advance payment (directly to the provider) necessary for Your admission to a Hospital because of a covered Injury or Sickness, up to the Maximum Benefit Amount shown in the Schedule of Benefits, provided You agree to reimburse Us if it is determined that Your Medical Expense claim is not covered.

We reserve the right to deny a request for advance payment if We confirm that Your claim is not covered under the policy. An advance payment made by Us is not a guarantee that Your Medical Expense claims are covered.

These benefit(s) will not duplicate any other benefits payable under the policy or any coverage(s) attached to the policy.

Payments made by You: If you are required to pay for medical treatment, obtain a signed receipt and a signed statement by a Physician describing the problem and the treatment. To initiate a claim for reimbursement, please contact:
